The screenshot displays the Solvr POS application interface. At the top, there is a navigation bar with the Solvr logo and icons for Orders, Take, Setting, and More. The main area is divided into sections: 'Open Table' (highlighted in red), 'QSR', and a table grid. The table grid has columns for 'Indoor', 'Outdoor', 'Upstairs', 'Take Away', and 'VIP'. The 'Indoor' section is currently active. A menu item '655-ROTI PISA...' is highlighted with a red border, showing a quantity of 'x4.0' and a price of '0.00' with a green 'F' symbol. A callout box points to the 'F' symbol with the text: 'F symbol shown that item is an entitle for buy & free item promotion'. The bottom bar contains 'Print', 'Edit', 'Print Setting', 'Member', and 'Check Out' buttons. The total price '6.00' is displayed in the bottom left.

Note: Refer to promotion guide for a more detailed version of user guide on promotion, from settings, to application.
